

St John's is a church school with God at its centre. Our vision is to transform lives by

- Creating a caring Christian community
- Developing a lifelong love for learning
- Serving one another and reaching out into the wider world

Our Mission

Teaching – we will aim to deliver high quality teaching and learning so that all children will be able to maximise their potential by becoming motivated, independent learners

Telling – we will share the stories of the Christian faith and give all children opportunities to worship God drawing on the traditions of the Anglican Church. An important part of this will be our Collective Worship which will be based on key Christian values.

Tend – we will encourage and reward care and respect for all members of our community paying particular attention to the needs of the most vulnerable

Transform – we will encourage all children to make a difference by serving others and the wider world by playing an active part in the local community

Treasure – we will seek to encourage a respect for God's creation – the earth and its people who are made in the image of God by caring for the environment of our school and celebrating the gifts of each person in our community.
