

St John's CE VA Primary School

Spiritual, Moral, Social & Cultural Development (SMSC) Policy

At St John's we are Loved by God - Learning with Jesus - Living by the Spirit

1. Introduction:

At St John's we are Loved by God - Learning with Jesus - Living by the Spirit. Our Vision being 'Loved by God, Learning with Jesus and Living by the Spirit' underpins all that we will do in this policy. This means that:

- We will treat everyone with Respect, Dignity and Love.
- We will live with Hope because we are secure in the knowledge that we are valued.
- We will have a thirst for knowledge and skills and we will question, challenge and explore.
- We will seek to live with wisdom and to put into practise what we are learning.
- We will be a welcoming community that treats everyone with compassion, forgiving and being forgiven so reconciliation is possible.
- We will pursue justice paying particular attention to the needs of those who are vulnerable.

It is this vision that shapes all we do spiritually, morally, socially and culturally for our children.

We recognise that the personal development of pupils, spiritually, morally, socially and culturally, plays a significant part in their ability to learn and achieve. We therefore aim to provide an education that provides pupils with opportunities to explore and develop their own values and beliefs, spiritual awareness, high standards of personal behaviour, a positive, caring attitude towards other people, an understanding of their social and cultural traditions and an appreciation of the diversity and richness of their cultures.

The National curriculum has two aims:

- promote the spiritual, moral, cultural, mental and physical development of pupils at the school and of society,
- prepare pupils at the school for the opportunities, responsibilities and experiences of later life.

These two aims reinforce each other.

SMSC plays a significant part in the ability to learn and to achieve. All curriculum areas have a contribution to make to the child's spiritual, moral, social and cultural development.

Christian values, principles and spirituality will be explored in the curriculum, especially in RE and Collective Worship. The integrity and spirituality of other faith and no faith backgrounds will be respected and explored; as will the diversity of spiritual traditions.

All adults will model and promote expected behaviour, treating all people as valuable individuals and showing respect for pupils and their families.

Children should learn to differentiate between right and wrong in as far as their actions affect other people. They will be encouraged to value themselves and others.

St John's CE VA Primary School

Children should understand the need for rules and the need to abide by rules for the good of everyone. School and classroom rules should reflect, reiterate, promote and reward acceptable behaviour and provide opportunities to celebrate pupil's work and achievements.

All curriculum areas should seek to use illustrations and examples drawn from as wide a range of cultural contexts as possible. This will be reflected in the teacher's planning and learning resources.

2. Aims of SMSC

- To ensure that everyone connected with the school is aware of our values and principles.
- To ensure a consistent approach to the delivery of SMSC issues through the curriculum and the general life of the school.
- To ensure that a child's education is set within the context that is meaningful and appropriate to their age, aptitude and background.
- To ensure that children know what is expected of them and why.
- To give each child a range of opportunities to reflect upon and discuss their beliefs, feelings and responses to personal experience.
- To enable children to develop an understanding of their individual and group identity.
- To enable children to begin to develop an understanding of their social and cultural environment and an appreciation of the many cultures that now enrich our society.
- To give each child the opportunity to explore social and moral issues and develop a sense of social and moral responsibility.
